Sherri-Ann Peckham Continues To Be A Trailblazer At Manchester High School.
- *Stellar Academic Achievement & Community Involvement*
Introducing The First Recipient of the Prestigious W.A. Clarke Award.

March 1, 2010. Mandeville, Jamaica. Sherri – Ann Peckham a sixth form student at Manchester High School has been selected as Manchester High School's first recipient of the newly established W.A. Clarke Community Service Award. Having already earned twelve distinctions and working towards successfully completing sixth form, Pekham continuously shows a strong commitment to serve in her community coupled with dedication in going above and beyond to help her peers.

"We are thrilled to be in partnership with Warm Notes Inc., to establish this award", says Acting Principal, Dorette Nelson. "Manchester High School has always been touted as a very community oriented institution, which speaks volumes to the caliber of students that make up our student body".

Peckham will receive the award at the school's prize giving planned for March 11th, 2010 at 10:30 am in the Gunter Hall. "On behalf of Warm Notes Inc., it is our honor to present Sherri-Ann with this award", says owner Kiesha James. "Her character and high scholastic achievements have earned her the well-deserved respect from her teachers and fellow peers, and truly exemplifies the spirit of my role model and mother W.Alicia.James (nee Clarke). I am confident that Sherri - Ann's compassion will contribute greatly to her success as a medical doctor".

This community service award is named in honor of past student W. Alicia. James (nee Clarke) - a 1964 graduate of Manchester High School who has always been passionate about serving in the community for the betterment of people from all walks of life. Clarke-James remains engaged in all matters concerning her alma mater and her life echoes: "It is when we hitch our wagon to a cause greater than ourselves that transformation happens".

About Manchester High School

Manchester High School is located in central Manchester and has a long tradition of excellence in academia and co-curricula activities. This institution has been making indelible marks on the educational landscape for over one hundred years. Students are given the opportunity to participate in cultural, civic and political community activities.

About W.A. Clarke Award

The W.A. Clarke Award has been established to acknowledge the Manchester High School student who goes beyond the call of duty to serve in their community. Named in honor of the 1964 graduate of Manchester High School Winsome Alicia James (nee Clarke), who was born and raised in Mandeville Jamaica and is actively engaged in community involvement on many levels.
